Today's Speaker

Paul Vane
Information Commissioner
Jersey Office of the
Information Commissioner

AUDIENCE POLL:

What DO YOU think an Information Commissioner does?

1. An Information Commissioner is the custodian for everyone's personal data
2. An Information Commissioner is a Government department and regulates the private sector
3. An Information Commissioner is the final arbiter in disputes between public sector bodies and individuals
4. An Information Commissioner is the independent public authority that regulates information rights laws
5. An Information Commissioner is the mediator in all disputes between businesses and individuals
